SPECTACLE

“LAUNCH ILLUSIONS”

In a world where everything is turning grey and smiles are becoming increasingly rare, the mission of Gran Ilu and his companions, the Siones, is clear. Endowed with a special kind of magic and brimming with imagination, the members of this unique group will bring moments of laughter and fun to the streets of every city, astonishing young and old alike with their colourful show and their playful gusts of wind, creating a spectacular shower of streamers over the parade-goers.

Gran Ilu will be in charge of using his instructions and games to direct the Siones—equipped with powerful backpack blowers delivering an airflow of over 1,500 cubic metres per hour—on where and when to begin creating the spectacular shower, which will accompany them throughout the parade. This shower of colour will be further enhanced by the air cannon fitted to the motorised float; thanks to the type and size of the confetti used (tissue paper measuring 2 x 5 and 7 x 7), a spectacular effect of the confetti suspended in the air is achieved.

And in such a magical atmosphere, there simply had to be musical accompaniment to ensure that, for a few moments, the audience are fully immersed in a world of wonder. This will be provided by a Musical Float equipped with a powerful sound system and decorated especially for this unique entertainment group. ‘Los Lanza Ilusiones’ is, in short, a parade with a difference – interactive and colourful – designed to leave no one unmoved.
