SPECTACLE

“ARABIA”

With “Arabia”, you’ll feel as though you’re living inside the Arabian Nights.

This show features five giant animals: the majestic Lion, the mighty Rhinoceros, the slender Giraffe, the fearsome Scorpion and a gigantic Cobra.

Accompanying them is a fabulous group of five performers dressed as Arabs, in colourful costumes and playing various roles: the dancers, the juggler, the stilt-walker, the strongman and the bazaar trickster.

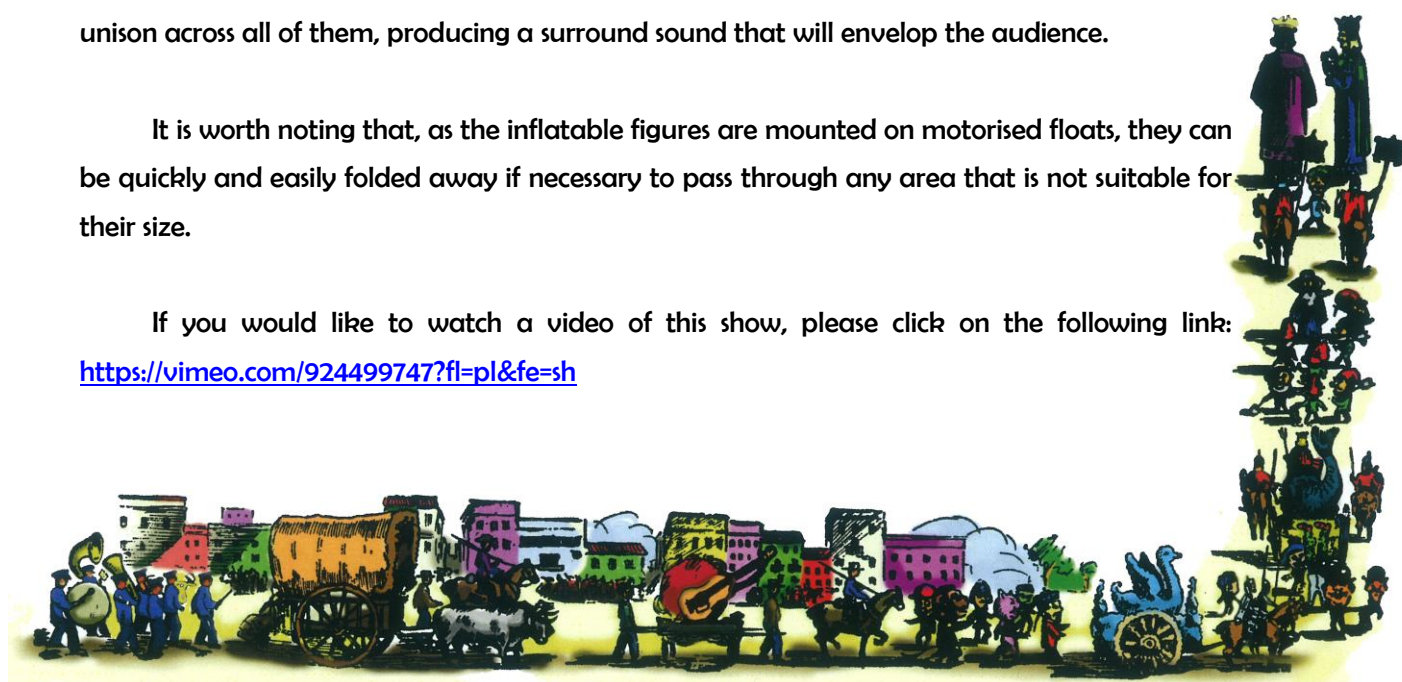

Stilts, samba dancers, dances, a giant ball and games will fill the streets with rhythm and fun, with performers encouraging the public to actively participate in the parade.

“Arabia” is a show that will impress both for its scale and its innovative sound techniques, as it features a system of transmitters and receivers capable of playing the same soundtrack in unison across all of them, producing a surround sound that will envelop the audience.

It is worth noting that, as the inflatable figures are mounted on motorised floats, they can be quickly and easily folded away if necessary to pass through any area that is not suitable for their size.
