SPECTACLE

"ENCHANTED FOREST"

"Enchanted Forest" is one of our most dynamic and interactive shows. It features SIX ordinary elves equipped with various games (skipping ropes, hula hoops, dancing) with which they'll get the audience to join the parade in a competition to see who can come up with the most fun game.

Travelling with them is an enigmatic, enormous tree, inhabited by the oldest elf of them all, whom they call the "Grumpy Elf", and who is in charge of guarding the "magical fruits of fun" (SIX gigantic balls containing huge balloons inside, lined with fabric of different colours). To get hold of the Fruits, the Elves must make the Grumpy Elf angry, thereby getting him to throw them, so they can start a party of endless interaction and fun with the spectators, to whom they themselves will throw the giant Fruits before trying to snatch them back. Thanks to a portable inflation device, if any of the balloons pop, they can be quickly replaced by another.

"Enchanted Forest" is a highly innovative parade, notable for being full of colour and joy, encouraging great participation from young and old alike throughout the parade.
