SPECTACLE

"MAGIC CIRCUS"

This show features five gigantic circus animals: the fearsome Lion, the mighty Rhinoceros, the friendly Hippopotamus, the dangerous Tiger and a gigantic Cobra. They are all accompanied by the most eccentric troupe: a malevolent Master of Ceremonies, a zany Clown, a beautiful Acrobat, an amazing Magician and the extraordinary Strongman. The streets will be filled with laughter and applause at this entertaining circus show, packed with comical situations in which the audience will be drawn in, actively taking part in the parade.

"Magic Circus" is a show that will impress both for its scale and its innovative sound techniques, as it features a system of transmitters and receivers capable of playing, in addition to each animal's own sound, the same lively soundtrack in unison from each of them, producing an immersive sound that will transport the audience into the magical world of the circus.

It is worth noting that, as these are inflatable figures mounted on motorised carts, they can be quickly and easily folded away if necessary to pass through any area that is not suitable for their size.
