SPECTACLE

"EXOTIC WILDLIFE"

"Exotic Wildlife" is an original Spectacle by Brotóns Cabalgatas y Disfraces, S.L.. This is an interactive Spectacle with music, colors and incredible sound effects.

"Exotic Wildlife" is composed of **SIX giants Birds of different types and colours**. They can flapping wings, glide, move the tail and head, pecking the audience that can interact with them.

Every Bird being equipped with a powerful sound system. This sound system have 5000 w, equipped with a transmitter and a receiver producing a realistic atmosphere will invite everyone to join this exotic experience.

Thanks to an embedded sound effects system in all the birds, every one reproduce a different trill of bird and a flapping sound at the same time that the music of the show.

Our parade will show the greatest interaction due to our **sensational "Zero-turn" device with a Carnivorous Plant on the top**. This vehicle have an incredible maneuverability and it can put into the public the heads of the Carnivorous Plant. Likewise, this element have two powerful LED lights that change colors. Thanks to that is possible have a constant light in the parade zone.

Birds driven by invisible Segway elements, managing to making turns, glide and create a flight effect. Segway X2 models are ready to face any surface and are highly manoeuvrable. We have adapted them to the parade, so they can be driven without using our hands, allowing to operator move the wings and head of every bird. This effect give more realism to the spectacle.

"Exotic Wildlife" is a fresh and dinamic show. The Spectacle will impact thanks to its dimensions and the high level of interaction with the public.
