SPECTACLE

"ROLLING PIRATES"

On boarding my brave ones! "Rolling Pirates" arrives to conquer the streets of each city, impressing and stealing smiles from anyone who dares to cross the path of our intrepid pirates.

Combining innovation, spectacularity and interaction we created "Rolling Pirates", a Show that will not leave anyone indifferent.

Made up of SIX pirate captains who, on their barrels, roll around in search of a new crew. Along with them is a unique group of brave pirates, who will assault children and adults, trying to convince them to follow them in search of new treasures and adventures.

Inside each Dragon is a **Segway X2**, thanks to which it can **move nimbly**, making turns that will surprise the public. The Segway X2 models are prepared for any terrain and are highly manoeuvrable. With the modifications made for the show, they can be driven without the need to use your hands, making the performance even more realistic. On the barrels we have created two dressed fiber legs that seem to be those of the Captain Pirate who is on the barrel, giving the sensation that he is sitting on it.

With them is a gigantic inflatable octopus measuring 9.5 meters long. The Octopus camouflages a motorized car equipped with a powerful sound system that will play an epic soundtrack that will invite the public to join the exciting pirate adventure.

"Rolling Pirates" is a Show designed and created by Brotóns Cabalgatas y Disfraces S.L.. This makes it unique and unrepeatable. Do you dare to join his crew?
