SPECTACLE

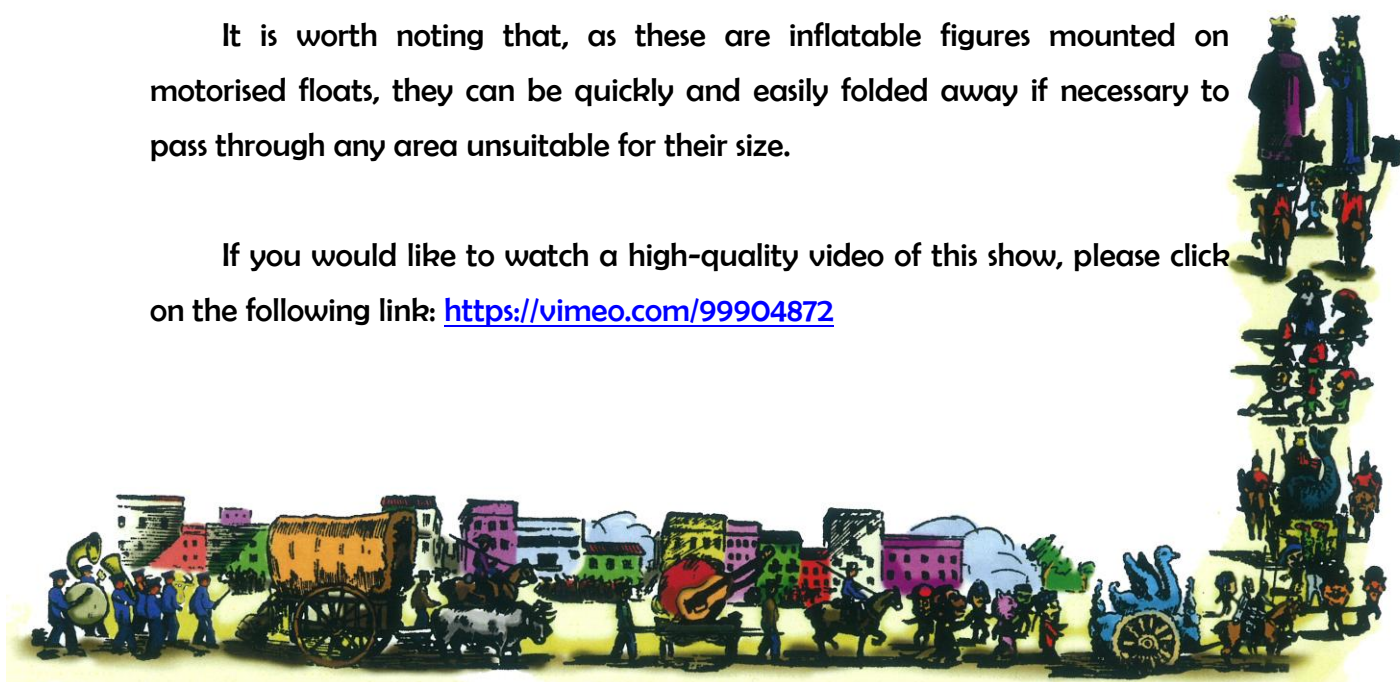

"CRAZY SAFARI"

This parade features five gigantic wild animals from the African savannah: a lion, a hippopotamus, a rhinoceros, a friendly giraffe and a gigantic cobra. Accompanying them is a unique group of explorers or savage tribesmen who, with the help of the audience and to the rhythm of a distinctive soundtrack, will attempt to hunt them down.

"Crazy Safari" is a parade that will impress both for its sheer scale and its innovative sound techniques, as it features a system of transmitters and receivers capable of playing not only each animal's own sound but also the same lively soundtrack in unison from each of them, producing an immersive sound that will transport the audience into a jungle-like reality.

It is worth noting that, as these are inflatable figures mounted on motorised floats, they can be quickly and easily folded away if necessary to pass through any area unsuitable for their size.
